AUGUST 2017

Dear Customer:

It's time to plan for our winter season. The 7-month season will again begin October 1, 2017 through April 30, 2018. If the need arises, you may begin storage in September at just \$55 for the month. We will be available Monday through Saturday morning to accept your car, boat, and camper. **HOWEVER, YOU MUST** schedule **YOUR APPOINTMENT** in advance with a **24-hour notice!** Our price schedule is listed below. To be assured of a parking place this winter, please complete and return the reservation form on the back of this letter along with your \$55 deposit by September 15, 2017. Half of the rental is due when the car, boat, or camper is brought in and the second half will be due by January 31, 2018. If you have not begun storage by November 1, 2017, the first half of the storage fee will be due then. If paying in full please take a 5% discount! (Cash or check only, thank you) We will gladly return your deposit if you decide to cancel your reservation before October 1, 2017.

If you have a question, please email or call us. Text anytime! The best time to reach us is weekday mornings from 8 to 11. The worst time to call is Friday afternoon & Saturday! The main phone and office are at Rolf Road. You may also email your request or questions (see email address below).
